Oh Canada:

Today's rendition of our Nation Anthem was sung with the passion and vigor that can only be mustered by the Kiwanis Club of Orillia!!!!

The Blessing:

Noel Sterne was on hand today to offer the blessing – thank you Noel.

Happy Loonies:

Carol Ivey has just returned from her Caribbean Cruise and is engaged to be married – congrats Carol!!!!

Steve VK was on hand to bring us up to date with auction 2016. The big day is Saturday November 5th – mark your calendars!!!!!!

President Ben Cole presented the club with yet another Lieutenant Governor's award. Not quite sure what this one was for (I've lost track) but we're going to need a bigger banner!!!!!!

Today's Guest Speaker:

A very special guest was with us today. Mayor Steve Clarke was on hand to bring the club up to date with the many exciting projects the city currently has underway. From Costco to the Rec Centre, it looks like many of the proposals that have been booted around for the past number of years are finally coming to fruition. This is a great time to be an Orillian – thanks Steve!!!!!!

Next week:

There will be no regular meeting this coming Monday as it is Family Day. There will be a round table at Brewery Bay for those suffering from cabin fever.

Thought for the Day:

The recent return of winter and the thought of hitting the slopes has inspired today's hopeful and motivational quote. I'm going to share with you the ski mantra of long time Kiwanian, alpine legend, life style guru and super septuagenarian (or at least he's close) Jerry Wink.

“Ski till it hurts, drink till it doesn't.”

Truly these are words to live by – thanks Jerry!!!!

Have a great week everyone.
