Oh Canada:

What can I say???? Every week we seem to surpass even ourselves!!!!

Happy Loonies:

Matt Dixon and his daughter we're caught live on camera at a Chicago Black Hawks game – pretty cool!!!

Ben Cole survived heli-skiing in the rugged back country of BC. Okay that might be a stretch but he was skiing out west – glad you lived to tell the tale Ben.

Scott O'Connell announced the annual March break ski for diabetes day presented by Davenport Subaru. Sounds like a great event and a good opportunity to show some support to Mike Davenport, auction attendee extrordiniare.

Carol Ivey was happy about something that I didn't quite catch but I'm glad you're happy - sorry Carol.

New Member Inductions:

Matt Dixon and Ben Cole were on hand to introduce Dan Becher and Debbie Trickey to our Kiwanis family. Welcome to you both, we're all really happy to have you with us.

Longtime Kiwanian John Mayo was on hand to deliver a most eloquent welcome to Dan and Debbie – well said Old Chap!!!!

Guest Speaker:

Today's Guest speaker was Mary O'Farrell Bowers, Principal of Georgian College. Mary spoke of where the College is today and how much it has grown across Ontario over the years. She also talked about how community colleges are evolving to keep up with today's rapidly changing post secondary world - thank you Mary.

Next Week:

We're back at Theo's next week when our guest speaker will be our own Mark Goode. Mark's presentation will be "Where Angels Play". Let's make sure we all support Mark by attending and bringing guests.

That wraps it up for this week. Have a great week everyone.

Thought for the Day:
