Today's Guest Speaker:

Past President Tim Timpano was our guest speaker today. Tim talked about the ongoing work of our Strategic Planning Team. The team set out back in 2010 to develop a long term plan to guide the club in the years to come. This plan is being revisited this year and a part of that were the member surveys conducted last winter. Tim reviewed some of the subject covered in those surveys including what is important to club members. Next week Past President James Maxwell will go over the findings in greater detail (sorry I have to miss it Gang, I'll be down in the vacation mecca of Kenosha, Wisconsin). Nice job today Tim!!!

Coming Up:

Next week we're back at Theo's for our last regular club meeting of the summer. In August, we have the 4H barbeque down at Big Curve Acres. Bob and Jackie Wink will also be hosting the club at their home. Great things happening Gang, we'll keep you posted.

Thought for the Day:

“As we express our gratitude, we must never forget that the highest appreciation is not to utter words but to live by them.”
